On March 15th, 2020, the Governor of Puerto Rico Hon. Wanda Vázquez-Garced signed the Executive

Order 2020-023 that implemented a quarantine order to help mitigate the spread of COVID-19 virus with a curfew from 9:00 p.m. to 5:00 a.m. and the closing of the private and public sectors in Puerto Rico for 14 days. Additional Executive Orders have been implemented to extend the quarantine and curfew order until May 3rd, 2020. With the current circumstances due to the global pandemic of COVID-19 and following the Excutive Order issued, PCD has implemented all safety measurements required by law, CDC recommendations, the Department of Labor of the Government of Puerto Rico, United States Department of Labor

and OSHA Standards. PCD is dedicated to maintain the welfare of our team members, clients, and mitigating risks to our business and projects during this emergency. We are committed to continue our efforts to offer our services by remote working and implementing the safety measurements in those projects that are classified as critical infrastructure to maintain our clients operations. PCD will continue enforcing all safety precautions required to

our team members and sub contractors. CERTIFIED TRANSLATION Administrative Bulletin No.: OE-2020-023

EXECUTIVE ORDER OF THE GOVERNOR OF PUERTO RICO, HON. WANDA VÁZQUEZ-GARCED. TO IMPLEMENT THE NECESSARY CLOSURE OF GOVERNMENTAL AND PRIVATE SECTOR OPERATIONS IN ORDER TO COMBAT THE EFFECTS OF CORONAVIRUS (COVID-19) AND TO CONTROL THE RISK OF INFECTION ON OUR ISLAND. EXECUTIVE ORDER OF THE GOVERNOR OF PUERTO RICO, HON. WANDA VÁZQUEZ-GARCED, EXTENDING THE MEASURES TAKEN TO CONTROL THE SPREAD OF THE CORONAVIRUS, COVID-19, IN PUERTO RICO. of all their citizens. For this reason, as the Governor of Puerto Rico, on March 12, 2020, I declared a state of emergency across our island amid the threat of the coronavirus or COVID-19 global pandemic. This makes making every effort to safeguard the health, life, and safety of all Puerto Ricans the highest priority of my government. With the purpose of minimizing the potential of infection and transmission entailed by this terrible viral threat and 3 given that it threatens the health of our citizens, we hereby issue Executive Order 2020-23.

As we all know, as of today, the first 5 positive cases of coronavirus or COVID-19 infection have been reported in Puerto Rico. It is therefore imperative that we all take the highest preventive and caution measures, and that the government take all the necessary measures to control the spread of the virus that is affecting our WHEREAS: citizens. We reaffirm that the Government of Puerto Rico is fully committed to ensuring the well-being and protection of our citizens. In order to prevent the spread and infection of COVID-19 on our Island, the Government of Puerto Rico has taken and will take all necessary steps to ensure the well-being of all citizens. WHEREAS: The Centers for Disease Control and Prevention (CDC) has been taking public health and safety measures throughout the United States in response to the spread of COVID-19. WHEREAS In view of the above, the Puerto Rico Department of Health has WHEREAS: stated that it is imperative that measures be taken to prevent the spread of the COVID-19 virus. This is in accordance with Art. VI. WHEREAS: Sec. 5-6 of the Constitution of Puerto Rico, L.P.R.A, Volume 1; and Art. 1 of Act No. 81 of March 14, 1912, as amended, known as the Puerto Rico Health Department Act, 3 L.P.R.A sec. 171 ("Act No. 1940 I. Juan E. Segarra, USCCI #06-067/translator, certify that the foregoing is a true and accurate translation, to the best of my abilities, of the document in Spanish which I have seen. Executive Order 2020-023 CERTIFIED TRANSLATION GOBIERNO DE PUERTO RICO

GOVERNMENT OF PUERTO RICO LA FORTALEZA SAN JUAN, PUERTO RICO EXECUTIVE ORDER OF THE GOVERNOR OF PUERTO RICO, HON. WANDA VÁZQUEZ-GARCED, FOR THE PURPOSE OF CONTINUING THE MEASURES IMPLEMENTED TO CONTROL THE RISK OF THE SPREAD OF THE CORONAVIRUS (COVID-19) IN PUERTO RICO. guarantee the right to life that all citizens have. Therefore, during the coronavirus (COVID-19) pandemic, the Government of Puerto Rico's primary focus is to make all necessary efforts to safeguard the health, lives, and safety of all residents of Puerto Rico. For this reason, and based on the declaration issued by the World Health Organization (WHO) which classified the respiratory disease caused by COVID-19 as a global health and social emergency at a pandemic level that required immediate and effective action from governments and jurisdictions throughout the world, Administrative Bulletin No. OE-2020-020 was issued on March 12, 2020, declaring a state of emergency throughout our archipelago due to the threat posed by COVID-19 (OE-2020-020). On March 13 2020, the President of the United States of WHEREAS: America, the honorable Donald J. Trump, issued a national emergency declaration due to the development and exponential spread of COVID-19 in the community being experienced throughout the United States. WHEREAS: Following the emergency declaration, on March 15, 2020, Administrative Bulletin No. OE-2020-23 was issued, establishing additional measures in order to slow and contain the spread of COVID-19 in Puerto Rico (OE-2020-023), including, among other measures, the implementation of a lockdown which applies to all citizens, as well as making the necessary closures, both in the private sector and within the government. In light of the emergency situation that Puerto Rico is facing, Administrative Bulletin OE-2020-026 (OE-2020-026) was issued, WHEREAS: which created an Executive Medical Advisory Task Force (Medical Task Force) in charge of developing and implementing studies, research, and strategic plans concerning how to best Government of Puerto Rico's Executive Order 2020-033
